Dear Campers and Parents,

It's hard to imagine that camp is only a few months away. I have met with the head staff throughout the winter months brainstorming, hoping to make this summer the most memorable yet.

I know that there is much to look at in this spring packet but please make sure to go over everything carefully. All the information in the packet is here to benefit you and your son's stay. We also ask that you do not pack any cell/picture phones, laptop computers, DVD players, mini fridges, or any other items of value. Also for the safety of all campers, I am asking that no aerosol cans (Axe body spray, bug repellent, etc) be brought to camp. There are many varieties of deodorant and bug spray that come in non aerosol cans. I also would suggest comfortable play clothes rather than expensive casual wear. Please talk with your child about taking care of and keeping up with belongings. Every effort will be made to help campers keep up with their belongings and find lost items, but the camp cannot be responsible for lost or missing items. Finally, I am asking that you pack an extra white t-shirt for this summer for their arts n crafts project.

Many of our returning staff were also former campers and are enthusiastic about passing on many of the positive experiences they all had. Steven Patterson, PJ Powers, Simon Therrien-Denis, Bryan Clarke, Ed Ireton, Russ Warnock, Matt Cooke, David Cardona and of course Scotty Elias will all be on head staff this year.

A new policy is in place for this summer. We are asking that all health forms be mailed to camp by June 15th. It is highly recommended that you make a copy for your records. Also, for 1st session campers, please look for our alternate directions to camp in the newsletter as the annual Nascar race in Loudon is on June 27th.

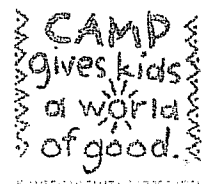

We hope that you are as excited about coming to camp as we are. I believe that camp is a wonderful place to make lifelong friends and to grow physically, mentally and spiritually. All of the staff at camp are here to serve you and your children. Please do not hesitate to contact us now or anytime during your son's stay if you have any questions or suggestions. I look forward to seeing you all this summer.

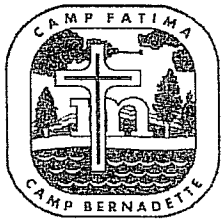

Take care and God Bless,

Michael Drumm

Dear Parents & Guardians,

The nursing staff at Camp Fatima tries very hard to ensure your child's safety while at camp. Please help us by filling out the health history form as completely and honestly as possible. **Please mail your Health Form to camp by June 15th, we highly recommend you to make a copy for your records.**

Please send your child to camp with any medications in properly labeled containers. The label must have her name, medication, dosage, time schedule, doctor's name and phone number and prescription number. No medications are allowed in the cabin with campers. This includes vitamins and all over-the-counter medications. If your child has an allergy, please note it on the health form. If your child requires an Epi-Pen, please include the Epi-Pen and a written doctor's order. If your child has asthma requiring an inhaler, please send two. The camper may carry a rescue inhaler and one will be kept in the health center. In the event that your child has had a recent injury or surgery, please include these in the health history.

If your child has any special needs, please feel free to call ahead or set up an appointment with the nursing staff before your child is scheduled to arrive at camp. We strive to make your child's camping experience the best it can be!

As always, your child's camp health folder ***must*** include the following:

1. **Physical exam by a doctor within the last 24 months**
2. **A copy of both sides of your health insurance card**
3. **A copy of an up-to-date immunization record**
4. **Parent/Guardian signature to authorize treatment in case of emergency**
5. **Written M.D.'s orders for any and all medications to be given by the nurse**
6. **List any and all emergency phone numbers including cell numbers**

Lastly, remember to send your camper with plenty of sunscreen, a reusable water bottle and insect repellent in a non-aerosol pump bottle or lotion.

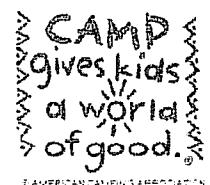

Thank you for your time and effort in helping us make sure your child is safe and healthy while at Camp Fatima.

Sincerely,

The Fatima Nursing Staff

PARENT INFORMATION SHEET

(Important information - save for future reference)

CHECK-IN: Check-in time at both camps is from 9:00 am to 12 noon. The Camper's Sunday Obligation should be fulfilled before coming to camp in that our camp Mass is Saturday evening. Check-in will be in the Rec Hall at Fatima and in the fieldhouse at Bernadette. Completed camper health forms and any medications must be given to our medical staff at check-in. **BE SURE THAT IMMUNIZATIONS ARE UP-TO-DATE.** It is imperative that all insurance information is provided. Please have a copy of the front and back of your insurance card. You must have written orders from the doctor in order to dispense over-the-counter medications.

CHECK-OUT: We will have check-out on SATURDAY. Garden City bus will leave at 9:00 am and all other campers going home will check-out between 9:00 am and 12 noon. Check-out will be held in the Rec Hall at Fatima and in front of the office at Bernadette so please stop there before leaving.

HEALTH FORM: **NEW PROCEEDURE** – Please mail your health forms to camp by **June 15th**

LOST & FOUND: Lost clothing is a major concern for both camp personnel and parents. Therefore, we stress the necessity of labeling all clothing and belongings. We ask that parents instruct campers as to their responsibility for their own possessions and that you make every effort to inventory your child's belongings before leaving camp.

FEES: All balances are to be paid AT LEAST 1 MONTH PRIOR to a campers arrival at Bernadette or Fatima. If you have children attending both Fatima and Bernadette please send separate checks made payable to each respective camp. Personal checks from outside the U.S. must be marked "U.S. Funds". **THERE WILL BE A SERVICE CHARGE OF \$20.00 BILLED TO YOUR ACCOUNT ON ANY RETURNED CHECKS. THE REGISTRATION FEE WILL NOT BE RETURNED IN THE EVENT OF WITHDRAWAL.** There will be no reduction of fees for early departure or late arrival. Should a camper withdraw after the start of camp, tuition will not be refunded (unless withdrawal is for medical reasons recommended by our medical staff.)

CAMP STORES: Both stores will be open during check-in and check-out times. Camp shirts, shorts and other items will be available for purchase during these times. Campers are not required to wear uniforms, but we do like each camper to have a camp shirt to wear on any trips out of camp or for special occasions.

VISITING DAYS: On "Change" Saturdays and Sundays ONLY (the weekend ending each two-week session). There are NO visiting days during the sessions. If a visit is required, we ask that you call ahead so that we can have your child ready and waiting. Please be advised that "in-session" visits have proven to disrupt your child's camp experience and promote home-sickness.

PHONE CALLS: Phone calls to campers may be made in EMERGENCY situations only. The office phone must be kept available for business. You can be assured that we will contact you should need arise. Your child can share in family birthdays, anniversaries, etc. via the mail by providing them with the appropriate cards. We encourage parents to write often to their children as mail is delivered daily and they look forward to hearing from you. Moreover, a "Care Package" filled with homemade snacks are also a welcome treat.

LAUNDRY SERVICE: Laundry service is available only to those campers who are staying at least a month at Fatima and weekly at Bernadette. The service we provide is wash and dry only. The average fee is \$15.00 per bag. There are laundromats in the towns of Wolfeboro and Alton which parents may wish to use on Change Weekends. (Campers should bring enough clothing to last the two-week session. Generally, ordinary school/play clothes are worn. Older campers will want a casual outfit for dances/socials.)

EPI-PENS AND INHALERS: If you would like your son or daughter to keep their epi-pen/inhaler in their possession, NH state law now requires that the camps must receive written permission from the camper's physician. Please contact the camps to request a waiver form.

AIRPORT PICKUP: For International and long distance campers we will pick up and drop off at the Manchester, NH Airport only. Please call to request a form.
